

JUNIOR EXPLORER

In the months of June, July and August the Park Rangers at New River Nature Center offer children's programs that incorporate fun activities in nature. For the 2016 year the rangers will be offering the following programs:

“Fishing 101” July 2 & 30, Join a Ranger for a fun day of fishing. Learn about New River and why it is such a unique estuary.

“Unearthing Art” July 9, Discover new ways to create art at the New River Nature Center. Hike along the trail with the ranger to find inspiration in creating art from nature.

“Fun, Fit Nature Hike” July 16, Join the Ranger at the New River Nature Center to hike the fabulous East Muddy Lake Trail. Learn about the plants and animals of the area, as well as the unique history of New River.

“The World of Habitats” July 23, Explore New River with the ranger to discover what kinds of animals live in the area and discover the diverse habitats that the animals live in.
